FlexScan Office Monitors

The most advanced technology, the most innovative features, and the best picture quality. Let us introduce: our office monitors.

Optimal ergonomics
- Height adjustable, rotatable and tiltable
- Auto EcoView: automatic brightness adjustment
- Flicker-free images thanks to hybrid brightness control
- Matte anti-glare coating
- Narrow housing bezel
- Ideal for multi-monitor solutions

Cost-efficient and economical
- Equipped with energy-saving features such as Auto EcoView, real power switch
- Compliance with international guidelines for energy savings and ergonomics according to Energy Star, EPEAT, TCO and TÜV
- Lowest failure rates and highest investment security (TCO)
- 5-year warranty incl. on-site replacement service

Environmentally conscious and sustainable
- Environmentally and climate-friendly production with measures to reduce waste, wastewater and emissions
- Careful use of resources and energy
- Sustainable packaging materials
- High recyclate content in housing plastics
- Production without child or forced labor
- No use of minerals from critical sources

Best connectivity
- Graphics and audio signal via USB-C, DisplayPort or HDMI
- Charging power for notebook via USB-C power delivery
- LAN port and KVM switch for maximum functionality
- Peripheral connection via USB ports
- Fewer cables due to USB-C daisy chaining

Working with the Best

EIZO
